

Dear Students;

In this semester, we are going to initiate a new activity of Teams Discussion Board (TDB). Objective of this activity is to provide you a platform to interact with your instructor regarding your conceptual and programming queries.

In this activity, a programming problem will be presented to you and you will be allowed to discuss this problem with your instructor through TDB interface. Instructor will be available online to answer your queries throughout the TDB session.

**First Session** will start on **28<sup>th</sup> May, 2014, 10:00 AM.**

**Second Session** will start on **29<sup>th</sup> May, 2014, 10:00 AM.**

You should be well prepared for Peripheral Programmable Interface (PPI) to participate in this activity. We strongly recommend you to practice the required programs of the mentioned topics in the handouts.

### Procedure to Participate:

**Discussion Topics**

Sr#	Activity	Topics	Start Time	Close Time	Threads	Participants	Status	Joining Deadline	
1	TDB 1 Session 1	Parallel Port Programming	21-05-2014 05:00 PM	21-05-2014 05:29 PM	0	300/300	Closed	01-01-1900 12:00 AM	
2	Teams Discussion Board 1	Peripheral Programmable Interface (PPI)	26-05-2014 10:00 AM	26-05-2014 11:59 AM	0	2/300	Not Started	26-05-2014 11:59 AM	Join
3	Teams Discussion Board 2	Parallel Ports Programming	27-05-2014 10:00 AM	27-05-2014 11:59 AM	0	1/350	Not Started	27-05-2014 11:59 AM	Join
4	Teams Discussion Board 2	Parallel Port Programming Exercise	21-05-2014 05:30 PM	21-05-2014 05:35 PM	0	333/350	Closed	01-01-1900 12:00 AM	-

 **Note the time of participation**

Please make sure your presence in the TDB session according to your joined session. Check your session time and date in the TDB section of VULMS as described above.

**NOTE:**

Students must be present on TDB on their respective schedule. No re-take or re-scheduling of TDB will be offered to any student otherwise.
