Naturalism and Motivation

NATURALISM provides a sense of TIME and PLACE.

Stage settings may be highly realistic or completely abstract, absurd, or stylized. If time of day is important or the place is realistic, then MOTIVATION is often provided by sunlight, moonlight, firelight, lamplight, or other naturalistic stage sources.

Style concepts include: naturalistic, un-naturalistic, realistic, surrealistic, pointillist, futuristic, minimalistic, impressionistic, expressionistic, expansionistic, abstract, modern, religious, romantic, Victorian, primitive, gothic, Elizabethan, Georgian and many, many more.
