

GDB No.1

Due Date: June 1, 2015

Total Marks : 10

Question:

Solve the inequality $|7x - 9| \geq x + 3$

MOST IMPORTANT:

- 1) If a student posts his/her solution in MDB to show up others, he/she would be awarded ZERO marks. Your solution must be posted in GDB.
- 2) If your solution is not in Math Type, your marks will be deducted.
